Three D Industrial Maintenance is a full service municipal, street, sidewalk, and parking area Maintenance Company.

Our management has over 75 years combined experience in the industry. Exceeding customer expectations and fulfilling the needs of each customer are our primary goals. All crews are supervised to ensure each and every job is completed to the specifications required.

We maintain a large fleet of current production model equipment. Our in-house mechanics and modern repair facility minimize the inevitable mechanical breakdown. In

addition, we maintain a fleet of back up equipment, which is available immediately if needed to ensure our commitment to your schedule.

We utilize state-of-the-art satellite tracking. This system allows accurate dispatching and documentation to support defense of any frivolous claims.

The professional staff at Three D Industrial Maintenance takes great pride in the many long-term relationships built upon our performance and trust. We want the chance to earn your business, please call us today.
